

# Have you thought about how to keep the kids entertained at your wedding, party, christening or work function?

Children at an adult function can easily get bored and many parents can't come if they don't have a babysitter. Cater 4 Kids provides an innovative entertainment solution that will:

- ★ Increase guest attendance
- ★ Minimise disruptions at event
- ★ Create a memorable experience for kids and adults alike

## Activities include:

- Face Painting
- Art & Craft
- Books & Puzzles
- Nintendo DS's & Leapster Game Consoles

Our service can be tailored to any event and for as many hours as required!

Let us keep them entertained close by, while you and your guests enjoy the event!

Start planning your special event today! Your function manager is:
